**FLAT ROCK METROPOLITAN DISTRICT NO. 4
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized under a Service Plan approved by the City of Aurora to provide financing for the design, acquisition, installation, construction, operation and maintenance of public improvements as generally described in the Special District Act, except for fire protection facilities and services, television relay and translation facilities, or a public golf course. The District would have to enter into a separate intergovernmental agreement with the City to provide or install these services that are prohibited under the Service Plan. The District's service area is located in the City of Aurora in Arapahoe County, Colorado. Under the Service Plan, Flat Rock Metropolitan District No. 1 is the Operating District related to Flat Rock Metropolitan District Nos. 2-4 as the Taxing Districts.

The District was formed by District Court Order in February 2008 and held its organizational meeting on February 21, 2008.

On November 6, 2007, the District voters approved authorization to increase property taxes \$15,000,000 annually, as necessary, to pay for the operations and maintenance expenditures of the District. The District voters approved authorization of fees up to \$15,000,000 annually, as necessary, to pay for the operations and maintenance expenditures of the District. The District voters approved authorization to increase property taxes \$750,000,000 annually to pay obligations pursuant to intergovernmental agreements, its service plan, or contracts with private parties. Debt authorization was approved in the amount of \$2,500,000,000 for the above listed facilities and \$250,000,000 for refunding debt. The voters also authorized debt of \$250,000,000 for the costs of operating and maintaining the District's systems and \$500,000,000 for the repayment of intergovernmental agreements or contracts with private parties. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution or any other law. Pursuant to the Service Plan, the Districts are collectively limited to issuing debt in the amount of \$250,000,000. The Districts also have a maximum mill levy of 50 mills that they can levy for debt service purposes or any debt that is in excess of fifty percent (50%) of the District's assessed valuation. The maximum mill levy may be adjusted for changes in the ratio of actual value to assessed value of property within the District. The adjusted maximum debt service mill levy is 57.958.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

**FLAT ROCK METROPOLITAN DISTRICT NO. 4
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues – (continued)

The calculation of the taxes levied is displayed on page 3 at the adopted mill levy of 57.958 mills. Pursuant to the Service Plan, the District is required to levy the Aurora Regional Improvements (“ARI”) Mill Levy, in the first year the District imposes a debt service mill levy and for each year thereafter. The ARI Mill Levy will be one mill for each of the first twenty years. The ARI Mill Levy will increase to 5 mills in year twenty-one and will continue at that level until the earlier of year forty or the date when bonds have been repaid. The ARI Mill Levy will then be imposed for ten additional years at the average debt service mill levy imposed by the District for the ten years prior to the date of repayment of the debt. As the District has not yet imposed a debt service mill levy, the ARI Mill Levy has not been levied.

Specific Ownership Tax

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 7% of the property taxes collected by the General Fund.

Expenditures

Intergovernmental Transfers

District No. 1, as the Operating District, will provide all of the administrative and operating expenditures, which include the services necessary to maintain the Districts’ administrative viability such as legal, management, accounting, insurance, banking, and meetings expense for the Taxing Districts – Flat Rock Metropolitan District Nos. 2-4. Therefore, per agreement, all net taxes will be transferred to the Operating District.

County Treasurer’s Fees

County Treasurer’s collection fees have been computed at 1.5% of property taxes.

Debt and Leases

The District has neither outstanding debt nor any operating or capital leases.

Emergency Reserves

District No. 1, as the operating district, will provide for an Emergency Reserve fund equal to at least 3% of fiscal year spending for Flat Rock Metropolitan District Nos. 1-4, as defined under TABOR.
